

SB1200 FRANKE

Bean-to-Cup
with Fresh Milk

Meet the best in class
bean-to-cup commercial
coffee machine that
guarantees a delicious,
fresh brew every time.

Are you ready to step into the future of coffee? Venture away from just the usual choices of black, milk or sugar and spoil yourself daily with a traditional speciality beverage, flavoured with a syrup of your choosing and complete with foamed regular or dairy-free milk. The Franke SB1200 is designed to make every single coffee experience an exceptional one.

SIMPLE TO USE & CLEAN

The 12.1-inch touchscreen display makes it easier than ever to choose and customise your beverage. The SB1200 is conveniently equipped with the CleanMaster system to save you time and hassle with cleaning.

LUXURY MILK FOAMING

Thanks to its FoamMaster technology, the Franke SB2100 provides an array of customisable options when it comes to your milk for your coffee beverage.

DUAL MILK OPTIONS

With the IndividualMilk Technology feature, you can now offer both regular and dairy-free milk options without the risk of cross-contamination.

OPTIONAL FLAVOUR STATION

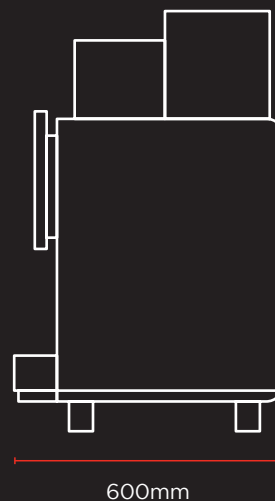

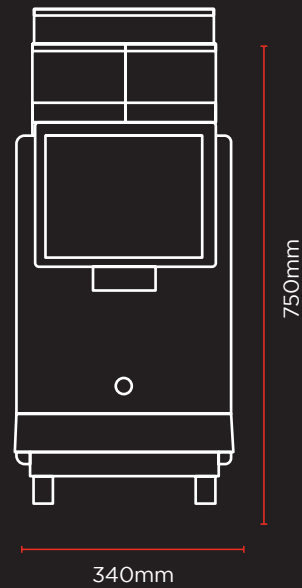

Enter the exciting world of flavoured coffees with the optional Flavour Station feature - there's a syrup for every taste palette.
